The image shows the interior of a large, modern railway tunnel. The walls are made of grey concrete with a ribbed texture. The floor is paved with concrete, and several sets of railway tracks run parallel down the center of the tunnel. Overhead power lines and support structures are visible along the top of the tunnel. The lighting is bright and even, creating a clean and industrial atmosphere.

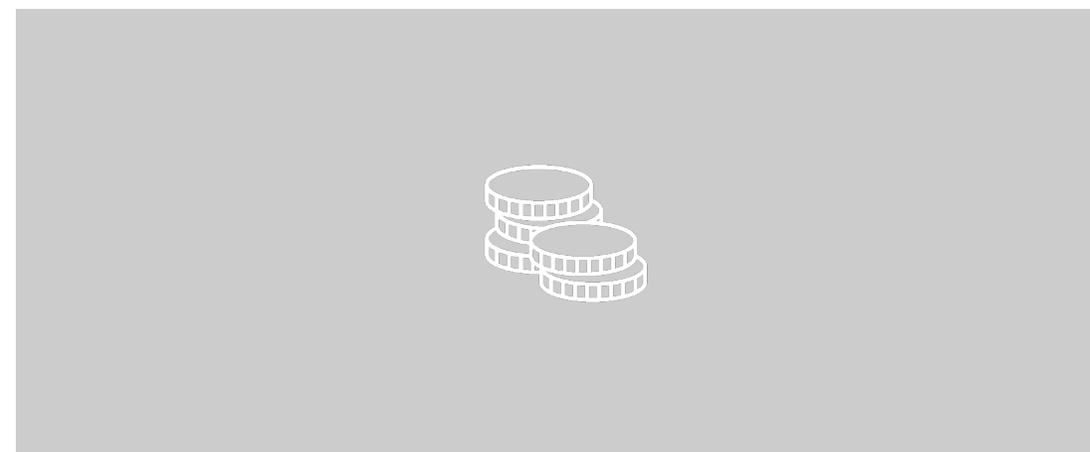

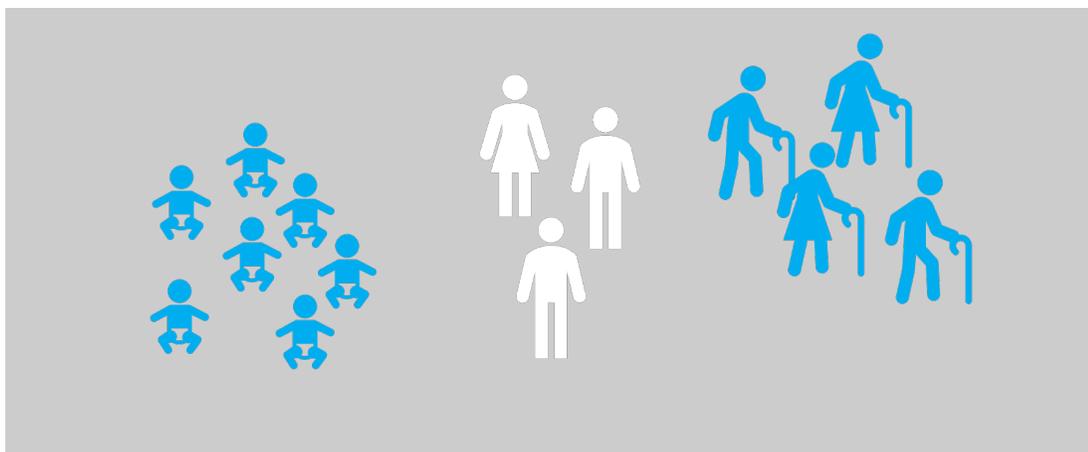

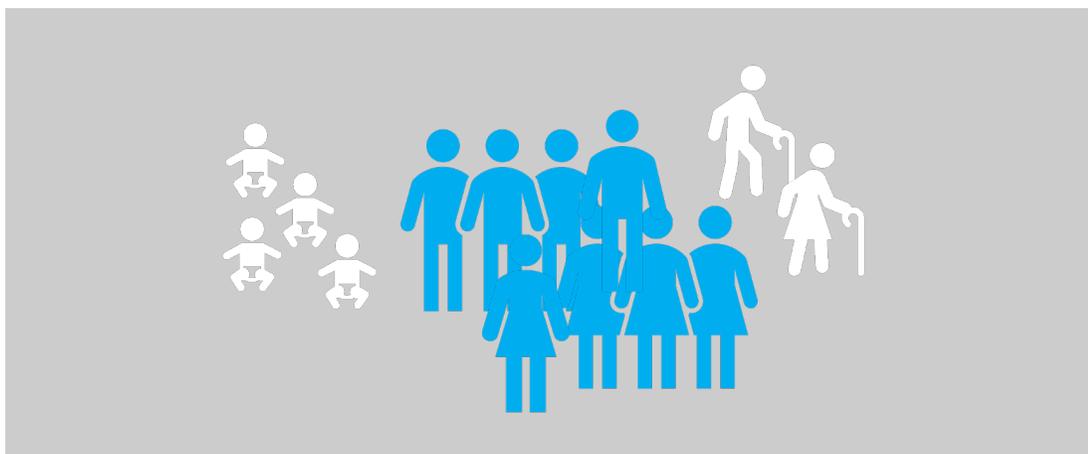

bis 2050:

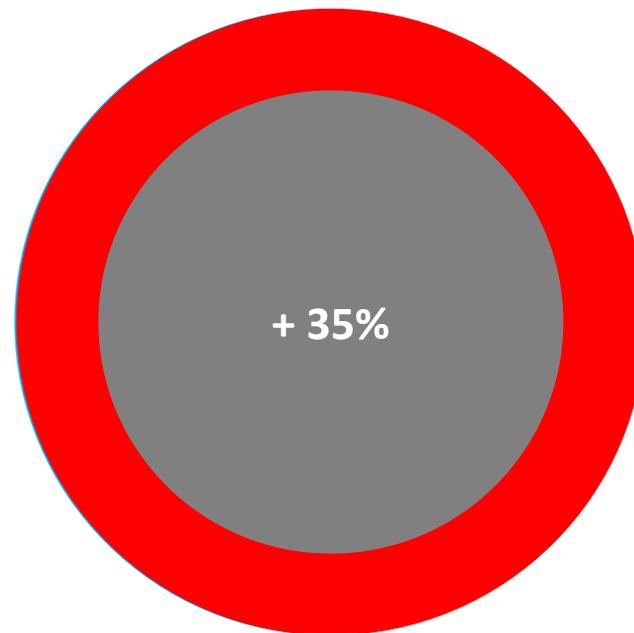

CHF 200 Mrd.

Der Schweiz fehlen Arbeitskräfte

gut Ausgebildete 

Geringqualifizierte 

2017-2037:

Obligatorische Schule: **+18%**

Sekundarstufe II: **+21%**

Hochschulen: **+21%**
